

An extra perk of your job

Because your employer is an O₂ Business customer, you can get up to 25% off your O₂ Refresh Airtime Plan with O₂ Open. And it's not just for your mobile – you can save the same on your tablet or mobile broadband device too.

And that's not all

Get 20% off accessories, like fitness trackers, smart watches and headphones. And you'll have all the benefits of Priority, with free coffee and tickets to gigs 48 hours early.

How do you get it?

Start by signing in to My O₂ Open at o2.co.uk/open using your My O₂ username and password. You'll need to enter your company's unique five character O₂ Open company code which your HR/Benefits Manager can give you. Once you're logged in, the website will guide you through the next steps.
